Cher Professeur Shams El Din,

Merci à vous, et au Professeur El Sabban, pour notre entretien de vendredi à l'Ambassade d'Egypte. Comme prévu, vous trouverez ci-dessous un message à envoyer aux universités égyptiennes, concernant l'appel à projet de l'OMJ. Je reste bien entendu à votre disposition pour toute information supplémentaire.

Bien cordialement, et avec l'expression de toute ma considération.

Muriel Morissey
Responsable de Projet
Secrétariat Général de Office Méditerranéen de la Jeunesse
Campus France
Tel : +33 1 40 40 58 49

Dear Madam, Dear Sir,

We are pleased to announce **the launch of the fourth call for proposals for the label of excellence of the Mediterranean Office for Youth**.

You can get all the relevant information and download the application documents on the MOY website: http://www.o-m-j.org/en/institution
The electronic version of the application documents must be received by the MOY Secretariat omj@campusfrance.org before 9 March 2013 (included).
The paper version must be **sent** (date of postmark) to the Secretariat before 9 March 2013 (included).
We remain of course at your disposal for any other detail,and get in touch with the national operator of your country.

ours faithfully,

The MOY General Secretariat
CampusFrance
28, rue de la Grange aux belles
75010 Paris, France
Tel : +33 1 40 40 58 50/49/51

-

GENERAL CRITERIA

Objectives of the MOY:

- Develop academic mobility in the Mediterranean in accordance with job markets needs in the region;
- Grant labels of excellence to Mediterranean Masters and PhD awarding double diplomas ;
- Encourage the mobility of the best students of those MOY labelled programmes by awarding mobility grants ;
- Facilitate the first professional experience abroad and the professional integration in the country of origin.

To get the MOY label, programmes must:

- Be of Master or PhD level
- Offer co-diplomas (joint diploma, double diplomas or multiple diplomas/PhD joint supervision)
- Minimum partners: at least two higher education institutions of at least two different MOY participating countries
- Be recognized by the national competent authority
- In the scope of the fields of Mediterranean Interest

Fields of Mediterranean Interest

Generic courses	University courses
Technical sciences applied to exact sciences and Engineering sciences	Agriculture, agrifood industry, fisheries science
	Environment and earth sciences (sustainable development, renewable energy, water resource management, waste treatment, marine industries,
	Computer science, mathematics, telecommunications, electricity, electronics
	Civil engineering, urban planning, building and public works
	Transportation (aeronautics, mechanics, logistics, etc.)
Technical sciences applied to social sciences	Law
	Sport
	Economics and political science
	Cultural management
	Management, finance, and business
	Tourism, hotel management, restaurant management
	Education
Health sciences	Medicine, biology, biotechnologies

To get the MOY grant, students must:

- Be a national of one of the MOY member countries, at the date of the call for candidates (May 2014)
- Apply to the Higher education institutions members of the MOY labelled programmes
- Be selected on the ground of their academic records
- Then be selected by the panel of the MOY experts on the ground of their professional project, letter of motivation, recommadations…

Documents required in the application form:

☐	The application has been completed in French or English using a word processor, font size 11
☐	The application contains no omissions.
☐	The application has been signed by the legal representative of the coordinating institution.
☐	The originals of the letters of commitment of the coordinating institution and of each partner institution (one letter per institution, each one signed by the legal representative of the institution) have been attached to the application. The letters attest to the institution's consent to the application, to its financial and operational capacity, and to its legal status. In addition, the letters certify that the proposed programme is officially recognised by the competent national authorities.
☐	A copy of the document by which the partner institutions have agreed to jointly implement the proposed programme has been attached to the application.
☐	The sworn declarations signed by the legal representative of each institution have been attached to the application to attest that the institutions have never (since their founding) been the subject of a legal judgement and that they are not now in any of the circumstances described as exclusion criteria in section 2.3 of the "Guide for institutions of higher education applying for MOY labelling of a Master or PhD programme and for students applying for an MOY mobility grant ".
☐	A photocopy of an official form of identification (or of the appointment letter) of the legal representative of the coordinating institution has been attached to the application.
☐	A photocopy of an official form of identification (or of the appointment letter) of the individual responsible for the project's budget within the coordinating institution has been attached to the application.
☐	The CVs of key project personnel have been attached to the application (**maximum 3 pages per CV**). The CVs should cover a maximum of 3 faculty members per institution involved in the programme, and the CV of the person in charge of the programme at the coordinating institution.

☐	The coordinating institution has sent—**by the deadline (9 March 2014)**—an original bound copy to the MOY General Secretariat (CampusFrance Appel à projets OMJ, 28 rue de la Grange aux Belles, 75010 Paris, France). (The postmark will constitute proof of the date of sending.)
☐	The coordinating institution has sent— **by the deadline (9 March 2014)—a digital version of the application** to the main MOY e-mail address (omj@campusfrance.org). **This digital version consists of a WORD file of the application form and one single PDF file for the attachments.**
☐	The coordinating institution has sent— **by the deadline (9 March 2014)**—the same digital version of the application to the email address of the national operators of each country involved in the partnership.

Office Méditerranéen de la Jeunesse
Pour la mobilité et l'insertion professionnelle des étudiants

Mediterranean Office for Youth
For student mobility and graduate employment

Office Méditerranéen de la Jeunesse
Mediterranean Office for Youth

L'Office Méditerranéen de la Jeunesse est un programme concret qui promeut des formations d'excellence auprès des jeunes de l'espace méditerranéen.

L'Office Méditerranéen de la Jeunesse a pour finalité de :

- développer les mobilités universitaires en cohérence avec les marchés du travail (filières d'intérêt Méditerranéen) des pays partenaires à travers la **labellisation de formations d'excellence donnant lieu à des co-diplomations** ;
- faciliter la mobilité des meilleurs étudiants de niveau Master et Doctorat de l'espace méditerranéen grâce à un **dispositif de bourses de mobilité** ;
- faciliter l'insertion professionnelle des diplômés OMJ ainsi que le recrutement des entreprises **grâce à la mise en ligne d'une plateforme de stages et d'emplois** (à partir du printemps 2014).

www.officemediterraneendelajeunesse.org

100 formations méditerranéennes ont reçu le label OMJ

http://catalogue.officemediterraneendelajeunesse.org/

The Mediterranean Office for Youth is a programme taking active steps to promote high level academic programmes for Mediterranean students.

The Mediterranean Office for Youth programme aims to:

- *promote academic mobility in line with development priorities and the labour market (sectors of Mediterranean Interest) of the partner-countries through a **label given to programmes of excellence offering joint or double diplomas;***
- *facilitate the mobility of the best students at Master and Doctorate levels from the Mediterranean area, through a **system of mobility grants;***
- *facilitate the employability of the MOY graduates and the recruitment of the companies **with the establishment of an online platform for internships and jobs** (as from Spring 2014).*
