## A New Building for the Faculty of Science

The university council, headed by prof.Dr. El-Sayed EL-kady, approved that a new building for the faculty of science will be established beside the old one. The architectural and geometrical designs will be started as soon as possible. This statement was uttered by prof.Dr. Abd-El-Azim Mehna, the

faculty dean and he adds that the university president asked his technical and geometrical chancellor to choose the team that will take over the project.
