Graduate Public Health Program

FHS hosts the Graduate Public Health Program (GPHP) which is accredited by the Council on Education for Public Health (CEPH), a US accrediting body. Ours is the first public health program outside of the Americas to be accredited by CEPH and still the only CEPH-accredited program in the Arab world, Asia and Africa.

Our GPHP program offers different degrees :

- Master of Public Health (MPH) -(42 credits), with 3 areas of concentrations:
 - Epidemiology and Biostatistics
 - Health Promotion and Community Health
 - Health Management and Policy
- Master of Science in Epidemiology (30 credits)
- Master of Science in Environmental Sciences, major Environmental Health (30 credits)
- PHD in Epidemiology

For more information about GPHP, please visit:
