UN Women-Duksung Global Partnership Scholarship Intake (Spring 2015)

Your Excellency,

It is my great pleasure and honor to invite students from your home country who are currently residing in Korea to apply for the UN Women - Duksung Global Partnership Scholarship. I would greatly appreciate if you could kindly share this invitation.

The Duksung Global Partnership Scholarship Program is a component of the UN Women - Duksung Global Partnership Program for Young Women. The Duksung Global Partnership scholarship program aims to provide higher education for young women by inviting talented Asian and African female students to the Undergraduate and Master's Program at Duksung Women's University. The Duksung Global Partnership Scholarship Program will support their studies at one of the most respected institutions of higher learning for women in Korea. The scholarship covers full tuition at Duksung Women's University and dormitory fees for the duration of study in Korea.

The attached Annexes will provide more information on the Duksung Global Partnership Scholarship Program and the Admission Guide for Undergraduate/ Graduate program at Duksung Women's University. Alternatively, more information can be found on the website at www.duksung.ac.kr/eng.

We thank you for your consideration in advance and look forward to having your students join us as a valued student at Duksung Women's University. We hope that your students would be able to establish a global network with students from other countries and take home a fruitful experience.

Yours sincerely,
Program Director, Lee Jit Sang
Duksung Women's University

- *Please check the Graduate School's website for more information on Admission Schedule for Graduate courses. (<http://graduate.duksung.ac.kr>)

IV. Accreditation Criteria for Foreign Education Institutions

1. Only regular curriculum that is based on the education laws of individual countries shall be acknowledged. Courses in kindergartens, nursery schools or language training programs will not be acknowledged.
2. Foreign school's academic year will be acknowledged based on Korean academic years of primary, secondary and high school years.
 - * Primary school course : 1st to 6th academic year [Grade 1-6]
 - * Secondary school course : 7th to 9th academic year [Grade 7-9]
 - * High school course: 10th to 12(13)th academic year [Grade 10-12(13)]
3. If the applicant has finished her 12th academic year in a country where a 13-year academic course is established, she will be considered equivalent to a high school graduate in Korea.
4. If the applicant has graduated from a high school where there is less than 12-year education system in place, the difference can be offset by the period she has enrolled in college in her home country. However, if the applicant has completed her primary, middle and high school education in her home country and has obtained her graduation certificate (or in progress) for each school, she will be treated as an equivalent to a high school graduate in Korea.
5. Qualification exam in and out of the countries (GED of USA and Canada, China's self-study examination) will not be acknowledged.

V. Required Documents

Documents	Comments
Application Form	Attached form
Graduation Certificates for (Elementary, Middle and High School)	Apostille Required (or foreign education institute authentication with consular recognition)

Required Documents

Important Notes:

※ Application form and other materials should be filled out either in Korean or in English. Documents such as certificates or credentials issued in languages other than Korean or English **MUST** include official notarized translation.

※ When you submit your graduate certificates, enrollment certificates and transcripts, you should obtain an Apostille stamp or verification from the Korean consulate of the foreigner's own country or verification from the Korean Council for University Education to the immigration office. Apostille Approval can also be obtained from a designated institution by a national government (In Korea, Ministry of Foreign Affairs and Trade provides Apostille for such documents). The document is required once during the foreigner's Korea sojourn period.

● An Apostille is a seal applied by an official government authority/body that confirms the authenticity of a document and of the official signature when that document has to go to a foreign country.

※ Under dire circumstances, if applicant is unable to submit documents within the application period, applicant is required to submit them upon admission into the university.

※ For applicants who submitted a Provisional Graduation Bachelor's Diploma from their college/university as an expectant graduate during the application period should submit his/her official Bachelor's diploma upon arrival in Korea.

※ Letter of recommendation **MUST** be posted directly to the Academic Affairs Office, Graduate School Department by the recommender.

Please send your application documents to this address:
Admissions Office, Graduate School Department
Library 418, Duksung Women's University 33, Sanyangro 144-gil, (419 Ssangmun Dong)
Dohong gu, Seoul, 132-714, Korea

※ Expected graduates are required to submit their official graduation certificates and diploma to the Admissions Office by February 2015.

※ For application to the Art/ Design Department:

Important Notes to All Applicants

- ※ Application form and other materials should be filled out either in Korean or in English. Documents such as certificates or credentials issued in languages other than Korean or English **MUST** include official notarized translation. Failure to do so will result in incomplete application and will be void.
- ※ All required documents must be original unless specified otherwise. Where the original is not needed, the copy must be certified by the original institution or get the document notarized by a duly appointed and impartial Notary Public.
- ※ Please make sure that all information and documents submitted are true. If any submitted materials contain false information, the admission will be rescinded.
- ※ Applicants are responsible for any mistakes or omissions to the application. No modification or cancellation is allowed once the application is submitted.
- ※ Be sure to keep photocopies of all completed forms before submission. All documents submitted will not be returned.
- ※ Please note that the application fee is non-refundable.
- ※ Incomplete documents or non-attendance for the interview will result in automatic failure to admission for the program.
- ※ The University will only issue the Certificate of Admissions for student visa (type: D2) application for admitted students. No other types of visa will be supported by the University.
- ※ If the applicant is admitted to the University but his/her application for a D2 student visa is rejected by the Justice Ministry, the admission to the program will automatically be rescinded.
