Dear Dr. Ghazy

I am hereby confirming that the InnovEgypt training in Benha University that was supposed to be started on Saturday 6/7/2013 will be postponed due to the current political disturbance.

We will keep you posted with the new date enshaa Allah

We will send an email to all accepted students, and we already announced this news on the facebook, and program web pages.

Kindly find the attached list of the whole list of the accepted students. The green shaded names are accepted but did not confirm their attendance, so we added them to the list as the new date might suit them enshaa Allah.

Best Regards
