- International Economics Policy
- Regional and Local Treasury
- Microeconomics III
- International Economics Organization
- History of Economic Thought
- Econometrics III
- Game Theory and Applications in Economics
- International Economics
- Twentieth-Century Economic History

**Bachelor in Sociology:**
- Social Conflicts and Problems
- Sociological Theory II
- Urban Sociology
Faculty of Education
Bachelor in Social Education:
- Social Education in Europe
- Social Abilities: Intervention and Programs

Faculty of Law
Bachelor degree in Law:
- Comparative Private Law (partially in English)
- Contract Law
- Tort Law
Bachelor degree in Criminology:
- Criminology and English Language
- Political Science and English Language

Faculty of Physics
Bachelor in Physics:
- Meteorology and Climatology
- Collective Phenomena and Phase Transitions
- Other Energies Physics
- Micro and Nanotechnologies
Bachelor in Electronic Engineering and Telecommunications:
- Informatics

Faculty of Philosophy
Bachelor Degree in Philosophy
- Political Philosophy
- Issues in Theory of Knowledge
- Philosophy of Science and Technology

Faculty of Library and Information Studies
Bachelor degree in Audiovisual Communication
- Digital video
- Information Research Methodology
- Intellectual Property
- Specialized Metadata
- Management of Business in Documents and Information
CETT School of Tourism and Hospitality Education and Research (UB-affiliated)
