Contents

| Introduction                                      | 1 |
| Aim of The Study                                 | 5 |
| Review of Literature                             | 6 |
| Chapter (I): Physiological changes during pregnancy | 6 |
| Chapter (II): Minor discomforts during period of pregnancy | 26 |
| Minor discomforts of the 1st trimester           | 26 |
| Minor discomforts of the 2nd and 3rd trimester   | 31 |
| Chapter (III): Nursing action for coping with minor discomforts of pregnancy | 39 |
| Subjects and methods                             | 52 |
| Results                                          | 57 |
| Discussion                                       | 97 |
| Conclusion                                       | 110 |
| Recommendations                                  | 111 |
| Summary                                          | 112 |
| References                                       | 117 |
| Appendix                                         | |
| Arabic Summary                                   | 1-4 |
