

**Student Exchange Agreement  
between  
Faculty of Science,  
Zagazig University, Banha Branch  
and  
Graduate School of Engineering,  
Osaka Prefecture University**

The Faculty of Science, Zagazig University, Banha Branch and Graduate School of Engineering, Osaka Prefecture University agree to establish a student exchange program under the Agreement for Education and Scientific Cooperation of the two universities:

**1. Character of Program**

This program is established to encourage mutual understanding, and above all the educational and academic progress of the two universities.

**2. Students**

The exchange of students will be principally that of graduate students of the Graduate School of Engineering Osaka Prefecture University and Faculty of Science, Zagazig University, Banha Branch.

**3. Period of Study**

The term of study for exchange students participating in this program shall be no greater one academic year.

**4. Tuition**

Students should pay the regular tuition to their home university. The host university will waive application fees, entrance fees for exchange students.

**5. Student Status**

In each university, the authorities will grant the visiting student status, equivalent to that of its regular students.

**6. Personal Expenses**

Neither home university nor host university be responsible for student's accommodation, foods, closing and other personal coast including the medical/health insurance and medical care.

7. Approval of Credits (units)

The approval of credits is solely the authority of each student's home university. The host university will provide assistance to home university, when requested in assessing credits and credit value.

8. Period of Agreement

The agreement will be last for an initial three years. It can be extended for one year by any participant of the agreement during its last six months.

9. Miscellaneous matters, which are not included in this agreement, should be decided on the basis of discussion between the Faculty of Science, Zagazig University, Banha Branch and Graduate School of Engineering, Osaka Prefecture University.
