Department of Animal Production*

**Curriculum Vitae
of
Doctor. Mahmoud Maghraby Iraqi Amer
Professor of Poultry Breeding and Genetics**

Updated on: June, 27th, 2015

Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer

1. Personal data:

Name: Mahmoud Maghraby Iraqi Amer
Date of Birth: October, 8th, 1962
Academic Status: Dean of College of Agriculture, Benha University, Egypt
<http://www.nile.eg/%D8%A7%D9%84%D8%B1%D8%A6%D9%8A%D8%B3-%D8%A7%D9%84%D8%B3%D9%8A%D8%B3%D9%8A-%D9%8A%D8%B5%D8%AF%D8%B1-%D8%B9%D8%AF%D8%A9-%D9%82%D8%B1%D8%A7%D8%B1%D8%A7%D8%AA-%D8%A8%D8%AA%D8%B9%D9%8A%D9%8A%D9%86-%D8%B9>
Nationality Egyptian
Marital status: Married & Relies
H-Index: 9 (<http://scholar.google.com/citations?user=Kcb03v8AAAAJ&hl=en>)
Citation: 192
E-Mail: mahmoud.iraqi@fagr.bu.edu.eg
Alternative E-Mail: mmiraqi2006@yahoo.com
Address: 8 St. El-Villat - Hosny El-Naggar house – New Benha – El-Qalyoubia
Phone: +2 013 3249863
Cell Phone +2 0100 1312707
Fax: +2 013 2467786

2. Degrees:

Year	Degree
1999	Ph.D. in Poultry Breeding - Zagazig University, Egypt jointly with the University of Munich for Technology, Germany (joint supervision) ¹ .
1992	Master in Poultry Breeding, Zagazig University, Egypt
1986	Bachelor of Agricultural Science (Animal Production Department), very good, Zagazig University, Egypt

3. Academic Employments:

Duration	Employ
28/10/2014 till now	Dean of Faculty of Agriculture, Moshtohor, Benha University, Egypt.
24/3/2013 –	Vice Dean of Graduate Studies and Research Affairs

¹ I had my PhD studies under the supervision of professors from universities in Germany and both the British and American Schools.

Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer

27/10/2014	Faculty of Agriculture, Moshtohor, Benha University, Egypt.
2009 till now	Professor of Poultry Breeding and Genetics, Faculty of Agriculture, Benha University, Egypt.
2004-2009	Associate Professor of Poultry Breeding and Genetics, Faculty of Agriculture, Moshtohor, Benha University, Egypt.
2006-2007	Associate Professor of Poultry Breeding and Genetics, Faculty of Agriculture, 7 th of October University, Bani Walid, Libya.
1999-2004	Lecturer of Poultry Breeding, Faculty of Agriculture, Moshtohor, Benha University, Egypt.
1992-1999	Assistant Lecturer, department of Animal Production, Faculty of Agriculture, Moshtohor - Zagazig University – Egypt.
1986-1992	Administrator, department of Animal Production, Faculty of Agriculture, Moshtohor - Zagazig University – Egypt.

4. Teaching courses:

Undergraduate:	<ul style="list-style-type: none"> • Design and analysis of animal production experiments • Principles of animal breeding • Poultry breeding and improvement • Computer Applications in animal production
Post-graduate:	<ul style="list-style-type: none"> • Animal populations • Advanced poultry breeding and improvement • Mixed models and statistical analysis • Components of genetic variance for productive traits • Genetic evaluation using the animal models • Design of animal production experiments • Analysis of animal production experiments • Aquatic birds breeding and improvement • Origin and establishment of breeds and strains of poultry

5. Participation in Projects (--- Projects):

Duration	Project name
2015-2016	The Executive Director of the project " Development of livestock in the village " - Intensification and production of genetically Moshtohor rabbits in MOSHTOHOR and NAMOUL villages, Qalyoubia (application forms) – in cooperation with the Bank of Misr for development and community service.
2015-2016	The Consultant of the project "Intensification and production of Quill birds in MANZALA village for increasing meat and eggs", Qalyoubia (application forms) – in cooperation with the Bank of Misr for development and community service.
2014-2015	The Executive Director of the project " Development of

	livestock in the village" - Intensification and production of genetically enhanced rabbit in TERSA and KARKASHANDA villages Qalyoubia (application forms) – in cooperation with the Bank of Misr for development and community service.
2012-2013	The Executive Director of the project " Development of livestock in the village" - Intensification and production of genetically enhanced rabbit in MEET KENANA village Qalyoubia (application form) – in cooperation with the Bank of Misr for development and community service. http://www.youtube.com/watch?v=PWCdRRylxBw ; http://onaeg.com/?p=583589 ; http://www.akhbarak.net/news/2013/02/14/2103395 ; http://www.mr7-ly.com/vb/archive/index.php/t-105246.html ; http://www.mr7-ly.com/vb/showthread.php?t=105246 ; http://www.shbabmisr.com/t~40718 ; http://kenanaonline.com/users/MMIA/aboutus ;
2009 till now	Member of the national team training project: " Pathways to Higher Education, Egypt ", which aims to train University students and young graduates in Benha University — and here with the Faculty of engineering, Cairo University in cooperation with the international development "Ford"
2007- 2009	Principal investigator for the project of " Meat rabbits production; evaluation and genetic improvement of both of Egyptian & Spain strains ", in collaboration with the Spanish International Agency (AECD), Spain. ²
2003-2006	Principal investigator for the project of " Development of rabbits strains in Egypt ", in collaboration with the Spanish International Agency (AECD) and the center of Cooperation for development, university of Valencia, Spain, titled: " Production of purebred and crossbred parents of rabbits to be distributed to the small breeders in the middle and east of Delta " ³ .

6. Development of Local Environment & Community Service Participation:

<i>Year</i>	<i>Activity</i>
2014	Organize training courses for small holders participated in project of " Development of livestock in the village " and participating as a trainer in " Practical applications in Rabbit breeding and management ". (5 th group, 50 persons) http://www.bu.edu.eg/faculty/agriculture%20-%20training.html

² The project is supported by the Center International de Hautes Etudes Agronomiques Mediterranean (CIHEAM), Spain titled: "Sustainable production of rabbit meat" Evaluation and genetic improvement of Spanish-Egyptian rabbit lines ". it aims at continuing the genetic improvement for rabbits in Egypt through the genetic improvement of the Egyptian and Spanish strains and the Moshtohor novel strain developed in Egypt.

³ The project aims at formulating a novel strain through crossing between the Egyptian Sinai Gabali rabbits and the Spanish V-line elected to improve the characteristics of maternity.

Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer

2013	Organize training courses for small holders participated in project of " Development of livestock in the village " and participating as a trainer in " <i>Practical applications in Rabbit breeding and management</i> ". (4 th group, 25 persons) http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2013	Organize training courses for small holders participated in project of " Development of livestock in the village " and participating as a trainer in " <i>Practical applications in Rabbit breeding and management</i> ". (3 rd group, 25 persons) http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2013	Organize training courses for students and the public in addition to supervising and participating as a trainer in " <i>Practical applications in Rabbit breeding and management</i> ". (2 nd group, 25 persons) http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2013	Organize training courses for small holders participated in project of " Development of livestock in the village " and participating as a trainer in " <i>Practical applications in Rabbit breeding and management</i> ". (1 st group, 25 persons) http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2012	Participation in training course (lecture) entitled "Self Evaluation" for colleagues of Engineering, Faculty of Engineering (Shobra), Benha University, Egypt.
2012	Organize training courses for students and the public in addition to supervising and participating as a trainer in " <i>Practical applications in Rabbit breeding and management</i> ". http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2011	Participation in training of students and university graduates through the project of " <i>Pathways to the higher education</i> ", Faculty of Engineering, Cairo University, held Benha University, headquarters ⁴ . http://www.pathways.cu.edu.eg/
2011	Organize training courses for students and the public in addition to supervising and participating as a trainer in " <i>Rabbit breeding and management</i> ". http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2011	Participation in training seminars (lecture) entitled " Genetic improvement, recording, housing and system of mating animals" for small breeders and agricultural engineers in agricultural departments relating to El-Qalyoubia Agriculture Directorate in Benha, coordinated between Faculty of Agriculture, Benha University and Agriculture Ministry of Egypt.
2010	Participate in training of students and university graduates through the project of " <i>Pathways to the higher education</i> ", Faculty of Engineering, Cairo University, held Benha University, headquarters ⁵ . http://www.pathways.cu.edu.eg/
2010	Participation in training seminars (lecture) entitled "Recording, genetic

⁴ The training material used was "Statistical Analysis of the data."

⁵ The training material used was "Statistical Analysis of the data."

**Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer**

	improvement strategies and continue of good strains of animals" for small breeders and agricultural engineers in agricultural departments relating to El-Qalyoubia Agriculture Directorate in Benha, coordinated between Faculty of Agriculture, Benha University and Agriculture Ministry of Egypt.
2009	Guidance bulletin entitled " Raising the productivity of rabbit strains in El- Qalyoubia ", Benha University for small holders. http://media.kenanaonline.com/files/0012/12332/%D9%86%D8%B4%D8%B1%D8%A9%20%D8%A7%D9%84%D8%A3%D8%B1%D8%A7%D9%86%D8%A8%202009.pdf
2009	Participate in training course of students and university graduates through the project of " Pathways to the higher education ", Faculty of Engineering, Cairo University, held Benha University, headquarters ⁶ . http://www.pathways.cu.edu.eg/
2009	Participate in training of students and university graduates through the project of " Pathways to the higher education ", Faculty of Engineering - Cairo University, held Benha University, headquarters ⁷ . http://www.pathways.cu.edu.eg/
2009	Organize training courses for students and the public in addition to supervising and participating as a trainer in " Rabbit breeding and management ". http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2008	Organize training courses for students and the public in addition to supervising and participating as a trainer in " Rabbit breeding and management ", http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2006	Derive a new synthetic line of rabbits called " Line Moshtohor " (http://www.iamz.ciheam.org/medrabbbit/docs/moshtohor.pdf). Moreover research is going on to improve and increase productivity of this strain, as well as its distribution among small breeders and research bodies in Egypt.
2005	Organize three training courses for students and the public in addition to supervising the training in " Rabbit breeding and management ", aiming at disseminating rabbits industry in El- Qalyoubia. http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2004	Participate in the University integrated group convoys in some villages of El-Qalyoubia Governorate.
2004	Prepare and organize training seminars (lectures) entitled " Rabbit breeding and management " for small breeders and agricultural engineers in agricultural departments relating to El-Qalyoubia Agriculture Directorate in (Benha, Tikh, Shebeen Al-Qanater, Al-Qanater, Qalyoub, Al-Khanka, Kafr Shukr). http://www.bu.edu.eg/faculty/agriculture%20-%20training.html

7. Training Courses, Home or Abroad:

Year	Location	Participation in courses entitled:
2008	University of	Use of modern technologies in breeding and

⁶ The training material used was "Statistical Analysis of the data."

⁷ The training material used was "Statistical Analysis of the data."

**Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer**

	Valencia, Spain	genetics of animal and poultry
2003	Zaragoza, Spain	Rabbit meat production systems
2001	University of Alexandria, Egypt	Molecular techniques in nucleic acids & proteins
1997	Kiel University, Germany	Theory and Application of Variance Components Estimation in Animal Breeding
1992	CEMARP , Egypt	Introduction to DBASE 4, Word perfect, Introduction to SAS and DBASE 4 (level 2)

8. Participate in sessions of developing faculty members' abilities and quality and accreditation:

Year	Location	Participation in:
2013	Center of Development Session – Benha University	<i>Lecture entitled "Calendar of educational institution" under the capacity Development Session for faculty and their meanings</i>
2012	Faculty of Engineering (Shubra) – Benha University	<i>Lecture entitled "Calendar of educational institution" under the capacity Development Session for faculty and their meanings</i>
2009	Benha University	<i>Management of Scientific Research</i>
2006	Benha University	<i>Legal Aspects</i>
2006	Benha University	<i>Word Processing</i>
2006	Benha University	<i>Effective Communication</i>
2006	Benha University	<i>Windows Operating System</i>
2006	Benha University	<i>Evaluation of teaching</i>
2006	Benha University	<i>Basic Concepts of Information Technology</i>
2006	Benha University	<i>The use of technology in teaching</i>
2006	Benha University	<i>Use and maintenance of instructional display equipments</i>
2005	Benha University	<i>Decision Taking & Problem Solving</i>

9. Assessment and Recognition:

- A certificate of appreciation from the Dean of the Faculty for my role in derivation of a novel strain of rabbits called "Line Moshtohor", which is characterized by high production as well as their adaptability to the hot weather conditions in Egypt and the Arab region, also for my role in managing the project to improve strains of rabbits in the College, in collaboration with the Spanish side (represented by the University of Valencia & International Commission of the States of the Mediterranean basin).
- A certificate of appreciation from the president of Benha University, for my effort in preparing and organizing several training seminars entitled "**Rabbit breeding and management**", for small breeders, college graduates and agricultural engineers in the Directorate of Agriculture, El-Qalyoubia, from 20/6 to 7-7/ 2004, 5-19/2/2005 and from 19-20/3/2005 and from 17-23/3/2008.
- Certificate of appreciation from the President of the University in the contest of the best faculty in the University Residence Hall of the ceremonial ball in College on Wednesday, 25/6/2014, in honor of lifting classified portal for the

whole world to the Spanish webometrics ranking, which measures the activities of educational institutions on the website where I got the first position at the school of agriculture. <http://www.bu.edu.eg/BUNews/17201> .

- Certificate of appreciation from the President for superiority in Scientific Research and International publishing in the University Residence Hall of the ceremonial on Wednesday, 25/6/2015, in honor of lifting classified university portal for the whole world to the British Q&S ranking.

10. Supervision, Examination and Referee:

Item	Master Degree	Ph.D. Degree	Total
Supervision	13	8	21
Examination	11	6	17
Qualification Exam for Ph.D. students	-	9	9
Referees of papers	-	-	33
Total	24	23	80

11. Research Publications:

Has published more than 46 researches in international, world and local specialized journals and conferences.

M.M. Iraqi (1992). Estimation of Some Phenotypic and Genetic Parameters on Body Weight of Dokki-4 Chickens. **M.Sc.** Thesis, Faculty of Agriculture, Moshtohor, Zagazig University / Benha Branch, Egypt.

M.M. Iraqi (1999). Estimation and Evaluation of Sire Transmitting Abilities for Growth Traits in Chickens. **Ph.D.** Thesis, Faculty of Agriculture, Moshtohor, Zagazig University / Benha Branch, Egypt. (included 26 months in a scholarship, Technical University Munich, Germany, in the period from October, 1996 to December, 1998).

Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer

12. Participation in Symposiums:

Year	Location	Symposium
2014	Faculty of Agriculture, Benha University	<i>Using agricultural residues and food processing for feeding of farm animals in Qalyoubia, Sinai and Matrouh Governments.</i>
2012	Benha University	<i>Identification for callings of project co-operation with Europe Union for developing of higher education and STDF projects.</i>
2009	Benha University	<i>Mechanisms of self-resources development and marketing of the university services at Benha University</i>
2009	Quesna, Menufiya	<i>The hybrid chicken municipal, responsibilities and duties</i>
2009	Alexandria University	<i>Distinguished researches delivered during the Fifth International Conference on Poultry Science</i>
2009	Suez Canal University	<i>Promoting the production of rabbits in Egypt</i>
2008	Alexandria University	<i>The Role of the Social Fund in developing the projects of poultry production in Egypt</i>
2005	Alexandria University	<i>The repercussions of the Third International Conference for poultry - Results and Recommendations</i>
2004	Alexandria University	<i>The current poultry production in Egypt</i>
2003	Suez Canal University	<i>Future Vision of the livestock production in the Canal Zone and Sinai</i>
2003	Alexandria University	<i>Problems of the production of waterfowl in Egypt</i>
2002	Zagazig University(Benha Branch)	<i>The role of the young investor in development to benefit from agricultural waste</i>
2002	Alexandria University	<i>Mycotoxins and their impact on poultry production</i>
2001	Alexandria University	<i>Production of the Rumi birds under local conditions</i>
2000	Zagazig University(Benha Branch)	<i>General strategy for the use and safe disposal of agricultural waste for a clean environment</i>
2000	Tanta University	<i>Rabbits industry between theory and actual practice at the beginning of a new century</i>
2000	Alexandria University	<i>Genetic engineering and the development of the poultry industry on the outskirts of the 21st century</i>

Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer

13. Attendance & Participation in Conferences:

Year	Location	Conference
2015	Cairo University	Conference and celebration of the higher education sector by the Commission entitled "towards a paradigm shift in higher education" held on 25 May 2015 at Cairo University.
2014	Moshtohor-Hurghada, Egypt	The 2 nd International Conference On Biotechnology Applications In Agriculture (ICBAA), http://biotech-agric-conf.com/
2013	Tekirdag/TURKIYE	VI th INTERNATIONAL CONFERENCE: BALNIMALCON 2013 Tekirdag/TURKIYE, October 3-5, 2013. http://balnimalcon2013.nku.edu.tr/
2012	Ain Shams University, Cairo, Egypt.	The seventh International Conference "strategic planning for quality and accreditation of educational institutions and Arabic about the prospects for excellence" from 22-24 December 2012
2012	Khofo Hall-Conference Centre-Nasr City-Cairo	The first National Conference for scientific research and civil society on Monday 24/12/2012
2012	Moshtohor-Hurghada, Egypt,	The 1 st International Conference On Biotechnology Applications In Agriculture
2010	Cairo University, Egypt	Invited speaker at the third Egyptian Conference of rabbit science
2010	Assiut University, Egypt	The 6 th International Rabbit Conference for rabbit production hot climates
2008	Verona, Italy	The 9 th World Rabbit Congress
2007	Hurghada, Egypt	The 5 th International Rabbit Conference for rabbits production hot climates
2005	Sharm El Sheikh, Egypt	The 4 th International Rabbit Conference for rabbits production in hot climates
2002	Hurghada, Egypt	The third Conference for rabbits production in tropical
2001	Suez Canal University, El-Arish	The 2 nd Conference for Animal Production and Health in the semi-arid areas
2001	International Center for Agricultural Conference, Cairo	The 25 th Veterinary Arab Conference organized by the Egyptian Veterinary Medical Association
2000	Sakha, Egypt	The International Conference for animal production and poultry in the 21st century, entitled "Challenges and Prospects"
2000	International Center for Agricultural Conference, Cairo	The 26 th International Conference for statistics and computer science and its application
1999	Suez Canal	The 7 th Scientific Conference for Animal Nutrition

**Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer**

	University, El-Arish	(Ruminants, Poultry, Fish)
1997	Munich, Germany	The European Conference for Genetic Statistic

14. Participation in workshops:

Year	Location	Workshop
2014	Benha University	Support and follow-up research projects for young researchers in Benha University
2013	Four Season Hotel – Cairo at Nile Plaza	The DIES-Seminar “Quality Assurance in Research – Ethics and Science” by DAAD and ANQAHE. Cairo, 26 th - 27 th , 2013. http://www.anqahe.org/index.php?option=com_content&view=article&id=152:dies-daad-anqahe-2013&catid=46:organized-by-anqahe&Itemid=79&lang=en
2009	DAAD, Goethe Institute	Strategic thinking. http://www.daad.de/en/index.html
2009	Benha University	The Federation of the Egyptian university libraries
2009	Benha University	The quality and accreditation program of the Faculty of Agriculture
2009	Benha University	<i>The strategic planning</i>
2009	Benha University	Specifying the Status of strategic planning at the Faculty of Agriculture
2009	Benha University	Draft the characterization of the syllabuses taught
2008	Benha University	The committee of characterization and identifying the higher studies programs
2008	Benha University	Training course for the (TOT), entitled " Pathways " to the higher education. http://www.pathways.cu.edu.eg/
2005	Benha University	Training of trainers (TOT) in the field of the technology of display and production of educational materials
1997	Switzerland	Training program for graduate students in Animal Breeding

15. Membership of Scientific Bodies and Assemblies:

Membership of :

- Association of Alumni of Technical University of Munich, Germany.
<http://www.egyptum.4t.com/members.html>
- Member of the Research Gate website:
<https://www.researchgate.net/home.Home.html>
- Pakistan Journal of Zoology, Published by Zoological Society of Pakistan.
www.zsp.org.pk.
- World's Poultry Science Association (WPSA).

- Egyptian Poultry Science Association (EPSA).
- Egyptian Rabbits Science Association (ERSA).
- Egyptian Society of Animal Production (ESAP).
- Member of Gate of the Egyptian University Libraries.
<http://www.eulc.edu.eg/eulc/libraries/start.aspx>

16. Contribute to the Constructive Activity at the Faculty:

- Participate in the establishment and processing of farm poultry at the faculty.
- Contribute to the establishment of computer lab, at the department of animal production.
- Renew and develop the farm rabbits.
- Contribute to the development of the computer lab at the faculty.
- Contribute to preparation and development of labs at the department.
- Contribute to the renewal of the Hatching lab.
- Technical supervision on the farm of breeding rabbits at the faculty.
- Establishment of a unit for the manufacture of fodder to feed the rabbits at the faculty.

17. Participation in the Committees of the Development of the Educational Process:

Duration	Membership
2012-2017	Member of the group preparing the strategic plan for the College of agriculture, Benha University for the period 2012-2017.
2010-2011	Committee of education affairs at the faculty
2009-2010	College Board in the academic
2009-2010	The faculty financial resources development Committee
2007-2012	Coordinator of the Department of Animal Production in the committees of quality assurance and performance improvement of the faculty
2007-2008	Committee of education affairs at the faculty
2004-2008	Committees of Developing labs at the department and the computer labs at the faculty
2004-2005	Committee of education affairs at the faculty

18. Referees:

a) Editor-in-Chief:

1. Editor in-Chief of the journal Global Academy Research Journals (GARJ) (4th June, 2015 till now). <http://www.globalacademicresearchjournals.org/> .
<http://www.globalacademicresearchjournals.org/GJAR/editorial-board>
2. Editor in-Chief of the Annals of Agriculture Science, Moshtohor, Faculty of Agriculture, Benha University, Egypt. (28/10/2014 till now)
http://annagricmoshj.com/english/index.php?option=com_content&view=article&id=54&Itemid=72
3. Editorial Manager and reviewer in Annals of Agriculture Science, Moshtohor, Faculty of Agriculture, Benha University, Egypt. (23/3/2013 to

27/10/2014)

http://annagricmoshj.com/english/index.php?option=com_content&view=article&id=54&Itemid=72

b) Editor:

1. Editor in the African Journal of Agricultural Research, on line:, <http://www.academicjournals.org/journal/AJAR/editors>.
2. Editor in the Academia Research multidisciplinary open access journal that is designed to enhance research development in all the fields of Medical Sciences, Biological Sciences, Agricultural Sciences, Physical Sciences, Social Sciences, Engineering, Arts and Education. <http://academiaresearch.org/SRR/Editorial%20Board.htm>
3. Editor in the International Journal of Advance Agricultural Research. <http://www.bluepenjournals.org/ijaar/editorial-board.php>

c) Reviewer:

1. Reviewer in Livestock Research for Rural Development, Latin America: <http://www.lrrd.org/>
2. Reviewer in Journal of Applied Animal Research, India: <http://www.angelfire.com/journal2/jaar/>
3. Reviewer in the Egyptian Poultry Science Association, Egypt: <http://www.epsaegypt.com/>
4. Reviewer in the Journal of Agricultural Science And Technology, Islamic Republic of Iran: <http://jast.journals.modares.ac.ir/journal/authors.note>
5. Reviewer in the Pakistan Journal of Zoology, Published by Zoological Society of Pakistan. www.zsp.org.pk.

19. Conference Organization:

1. Coordinator of the 2nd International Conference on the applications of biotechnology in agriculture (ICBAA) and the Chairman of the Scientific Committee and the Editorial Committee and member of the Organizing Committee – held in Moshtohor and Hurghada, 8-12 April 2014 (<http://biotech-agric-conf.com/>) – organized by the Faculty of Agriculture of Moshtohor - Benha University. <http://biotech-agric-conf.com/>
2. Participate in organizing and scientific committees of the 1st International Conference on the applications of biotechnology in agriculture – Moshtohor - Hurghada, 18-22 December 2012 – organized by the Faculty of Agriculture of Moshtohor - Benha University.
- 3.
