

# List of Contents

<i>Subject</i>	<i>P</i>
<b>Introduction and Aim of the Work</b> .....	1-4
<b>I- Review of Literature</b> .....	5
Viral Hepatitis .....	5
Hepatitis A virus .....	8
Hepatitis B virus .....	13
Hepatitis C virus .....	24
<i>History</i> .....	24
<i>The virion</i> .....	26
<i>Genomic structure</i> .....	28
<i>HCV genotypes</i> .....	37
<i>Pathology and Pathogenesis of HCV infection</i> .....	44
<i>Immunity to HCV</i> .....	48
<i>Clinical assessment in chronic hepatitis C</i> .....	51
<i>Epidemiology of HCV</i> .....	57
<i>Epidemiology of HCV in Egypt</i> .....	60
<i>HCV and Schistosomiasis in Egypt</i> .....	60
<i>Dual HBV and HCV infection</i> .....	62
<i>Healthy HCV carrier state</i> .....	63
<i>Laboratory diagnosis of HCV infection</i> .....	65
<i>Prevention and control of HCV</i> .....	83
<i>Treatment of HCV</i> .....	85
Hepatitis D virus (delta virus) .....	91
Hepatitis E virus .....	97
New Hepatitis viruses .....	100
<b>II- Materials and Methods</b> .....	103
<b>III- Results</b> .....	134
<b>IV- Discussion</b> .....	165
<b>V- Summary &amp; Conclusion &amp; Recommendations</b> .....	186-190
<b>VI- References</b> .....	191
<b>IV- Arabic Summary</b> .....
