INTRODUCTION	1
REVIEW OF LITERATURE	2
MATERIALS AND METHODS	9
* Pot Experiments	9
* Field Experiments	12
RESULTS AND DISCUSSION	17
* Pot Experiments	17
A. Media Experiments	17
I. Effect of media on the growth	17
II. Effect of media on the flowering	27
B. Media and Water Regime Experiments	32
I. Effect of media and water regime on the growth	32
II. Effect of media and water regime on the flowering	43
III. Effect of media and water regime on the chemical composition	50
* Field Experiments	56
A. Fertilization Experiments	56
I. Effect of fertilization levels on the growth	56
II. Effect of fertilization levels on the flowering	63
III. Effect of fertilization levels on the chemical composition	69
B. Training and Pinching Experiments	73
I. Effect of training on the growth	73
II. Effect of training on the flowering....	81
III. Effect of training on the chemical composition	92
SUMMARY	94
LITERATURE CITED	100
ARABIC SUMMARY.
