LIST OF ABBREVIATIONS	i
I. INTRODUCTION	1
II. REVIEW OF LITERATURE	5
A. Pesticide residues in raw fruits and vegetables	5
1) Persistence of pesticide residues	5
2) Monitoring of pesticide residues	7
3) Dietary intake studies	14
B. Effect of industrial processing on some pesticides residues in fruits and vegetable	16
III. MATERIALS AND METHODS	32
1. Materials	32
1.1. Pesticides used	32
1.2. Vegetables and fruits	33
1.3. Experimental	33
1.4. Processing	37
- Green peas	37
- Guava	37
- Strawberries	38
1.5. Market samples	39
2. Methods	39
2.1. Residues analysis	39
2.2. Extraction	40
2.3. Clean up	40
2.4. Determination of pesticides residues ..	42
2.5. Control and recover samples	42
