

CONTENTS

	Page
I. INTRODUCTION	1
II. REVIEW OF LITERATURE	3
1- Control of aphids by insecticides	3
2- The side effect of insecticides on aphid's natural enemies	15
III. MATERIALS AND METHODS	28
IV. RESULTS AND DISCUSSION	34
1- Evaluation of the tested insecticides against <i>A.</i> <i>gossypii</i> and its predators in cotton fields.....	34
A- Field evaluation of the used insecticides against <i>A. gossypii</i>	34
B- Evaluation of the side effects of the used insecticides on aphid's predators	39
2- Efficiency of the tested insecticides on the population densities of <i>A. gossypii</i> and its predators in cotton fields	54
3- Effect of the application of certain sequences of insecticides on the population densities of <i>A.</i> <i>gossypii</i> and certain predators in cotton fields	94
4- Aphid- predators relationship in cotton fields influenced by the tested insecticides	107
