I. INTRODUCTION.....	1
II. REVIEW OF LITERATURE	5
II.1. Date Palm tissue culture	7
11.2. Direct somatic embryogenesis	9
11.3. Indirect somatic embryogenesis	10
11.3.1. Embryogenic callus formation..	10
11.3.2. Callus differentiation..	17
II.3.3.Somatic embryos maturation and plantlet formation.....	20
11.4. Multiplication stage	24
11.5. Rooting stage	28
II.5.1.Factors affecting root formation	29
11.5.1.1. Auxins	29
11.5.1.2. STS (silver thiosulphate)	34
11.5.1.3. PG (phlorglicinol)	35
11.5.1.4. SN (silver nitrate)	42
11.6. Acclimatization stage	43
11.7. Biochemical components	46
III. MATERIALS AND METHODS	48
IV. RESULTS AND DISCUSSION	69
V. SUMMARY AND CONCLUSION	140
VI. LITERATURE CITED	160
