

CONTENTS

I.	INTRODUCTION.....	1
II.	REVIEW OF LITERATURE.....	3
1.	Survey of host plants, distribution and natural enemies of the Mediterranean black scale, <i>Saissetia oleae</i> (Oliver) in the world.....	3
1.1.	Survey of host plants and distribution of the Mediterranean black scale, <i>Saissetia oleae</i> (Oliver) in the world.....	3
1.2.	Survey of <i>Saissetia oleae</i> parasitoids and predators in the world.....	3
2.	Population dynamics of the Mediterranean black scale, <i>Saissetia oleae</i> and its natural enemies.....	21
2.1.	Population dynamics of the Mediterranean black scale, <i>Saissetia oleae</i>	21

2.2. Population dynamics of natural enemies of the Mediterranean black scale, <i>Saissetia oleae</i>	26
3. Efficacy of some natural compounds and IGR on the Mediterranean black scale, <i>Saissetia oleae</i> and its natural enemies.....	30
III. MATERIAL AND METHODS.....	34
1. Survey of host plants, distribution and natural enemies of the Mediterranean black scale, <i>Saissetia oleae</i> in Egypt.....	34
2. Population dynamics of the Mediterranean black scale, <i>Saissetia oleae</i> and its natural enemies.....	38
2.1. Population dynamics of the Mediterranean black scale, <i>Saissetia oleae</i>	38
2.2. Population dynamics of <i>Saissetia oleae</i> natural enemies	39

3. Efficacy of some natural compounds and IGR on the Mediterranean black scale, <i>Saissetia oleae</i> (Oliver) and its natural enemies.....	41
3.1. Insecticide form.....	41
3.2. Experimental designs for studying the efficacy of those compounds	43
3.2.1. For <i>Saissetia oleae</i>	43
3.2.2. For natural enemies	44

IV. RESULTS AND DISCUSSION..... 45

1. Survey of host plants, distribution and natural enemies of the Mediterranean black scale, <i>Saissetia oleae</i>	45
1.1. Survey of host plants and distribution of the Mediterranean black scale, <i>Saissetia oleae</i> in Egypt.....	45
1.2. Survey of the Mediterranean black scale, <i>Saissetia oleae</i> parasitoids and predators.....	45

2. Population dynamics of <i>Saissetia oleae</i> and its natural enemies.....	55
2.1. Population dynamics of the Mediterranean black scale, <i>Saissetia oleae</i> and the number of generations in correlation to the surrounding environmental factors.....	55
2.2. Population dynamics of natural enemies of the Mediterranean black scale, <i>Saissetia oleae</i> and the relationship between the population and weather factors	88
3. Efficacy of some natural compounds and IGR on the Mediterranean black scale, <i>Saissetia oleae</i> and its natural enemies.....	101
