

TABLE OF CONTENTS

	Page
I- INTRODUCTION	1
II- REVIEW OF LITERATURE	3
a- Inheritance Of Reaction To Fusarium Wilt	3
b- Inheritance Of Some Qualitative Characters	6
1. Fruit shape	6
2. Fruit colour	13
3. Association between fruit shape and number of locules	23
c- Inheritance Of Some Quantitative Characters	25
1. Fruit size	25
2. Plant height	30
3. Ascorbic acid content	32
III- MATERIAL AND METHODS	35
a- Material	35
b- Methods	39
IV- EXPERIMENTAL RESULTS	51
a- Inheritance Of Reaction To Fusarium Wilt	51
b- Inheritance Of Some Qualitative Characters	61
1. Fruit shape	61
2. Fruit colour	76
3. Association between fruit shape and number of locules	84
c- Inheritance Of Some Quantitative Characters	86
1. Fruit size	86
2. Plant height	112
3. Ascorbic acid content	119
V- DISCUSSION OF RESULTS	125
VI- SUMMARY	160
VII- REFERENCES	165
