

CONTENTS

I- INTRODUCTION.....	1
II-REVIEW OF LITERATURE.....	3
PROPOLIS.....	3
a-Origin of propolis.....	3
b-Collection of propolis by honeybees.....	7
c-Uses of propolis by honeybees.....	13
d-Chemical composition of propolis.....	15
e-Biological activities of propolis.....	25
1-Antibacterial activity.....	26
2-Antifungal activity.....	34
3-Antimicrobial effect on humanbeing and animals	35
4-Effect of propolis extracts on seed germination	38
5-Treating of propolis on <u>Braula coeca</u>	39
BEESWAX.....	40
POLLEN.....	42
III- MATERIALS AND METHODS.....	45
PROPOLIS.....	45
a-Propolis gathering activity.....	45
b-Brood rearing activity.....	45
c-Chemical analysis of propolis.....	46
1-Crud _e propolis preparations	46
2- Methods of separation and chemical constit	47
uents of Egyptian propolis.....	48
d-Biological activity of propolis.....	50
1- Antibacterial activity of propolis.....	50
2-Antifungal activity of propolis.....	52
3-Effect of propolis extracts on seed germin-	
ation.....	53

4-Treating of propolis extracts on <u>Braula coeca</u>	54
<u>BEESWAX</u>	55
1- Beeswax and propolis in old combs.....	55
2- Beeswax and propolis in different parts of comb.....	55
<u>POLLEN</u>	56
1-Pollen gathering activity.....	56
2-The relationship between stored pollen and propolis gathering.....	56
3- Pollen found in propolis.....	56
IV-RESULTS AND DISCUSSION.....	58
I- <u>PROPOLIS</u>	
A-Propolis gathering activity.....	58
B- Collection of Propolis.....	62
C- Effect of Honeybee Races on Propolis Gathering.....	67
D- Propolis Gathering Activity During Nectar Seasons..	70
E- The Relationship between Brood-rearing Activity and Propolis Gathering Activity:.....	75
F -Chemical composition of propolis.....	85
G -Biological effect of propolis.....	101
A-Antibacterial activity.....	101
B -Antifungal activity.....	105
C- Treating by propolis extracts on <u>Braula coeca</u>	108
D- Effect of Propolis extracts on Seed Germination	111
II- <u>BEESWAX</u>	116
I- Beeswax and propolis in old combs.....	116
2- Beeswax and propolis in different parts of comb...	120

III- POLLEN	126
-------------------	-----

1- Pollen Stored in Hives .	126
-----------------------------	----------

2- The Relationship Between Stored Pollens and Propolis Gathering Activity.....	131
--	-----

3- Pollen Found In Propolis.....	135
----------------------------------	-----
