

REFERENCES

Abdel-Gawad, A. M.; Nour El-Din, N. A. and Badr, A. M.
(1974):

Yielding capacity of maize as affected by some
Agricultural practices.

Annals of Agric. Sci. Moshtohor Vol. 2: 3-13.

-----; Gab-Alla, F. I.; Ibrahim, M. S. A.;
Seif, S. A. and Faisal, R. I. (1983):

Effect of various nitrogen levels and different
methods of application on growth and yield of
maize (Zea mays L.).

Annals of Agric. Sci. Moshtohor, Zagazig Univ.,
In Press.

Abdel-Messih, S. G. (1978):

The response of maize to nutrients application
through soil and foliage.

M. Sc. Thesis, Fac. Agric., Zagazig Univ.

Amin, M. A. A.; Abdel-Aziz, I. M. and El-Sherbeny, M. A.
(1981):

Phosphorus-zinc relationship with respect to their
absorption in corn plants grown in calcareous soil.
Res. Bull. No. 412 Nov. 1981.

Allam, S. A. H. (1983):

Study on the effect of some growth regulators and
microelements on growth and yield of maize (Zea
mays L.).

M. Sc. Thesis, Zagaiz Univ. (Banha branch).

Amberger, A. (1974):

Micronutrients, dynamics in the soil and function in plant metabolism. III. Zinc. Proc. Egypt. Bot. Soc. Workshop 1, Cairo: 103-111.

Antonov, I. (1974):

Application of trace elements to maize on calcareous chernozim soils.

Pochvoznanie i Agrokhiimiya. 9: 71-78.

(c.f. Field Crop Abst., 29: 2659, 1976).

Assey, A. A. A. (1972):

Effect of the interaction of plant population and nitrogen fertilizer on root distribution, rhizosphere content and yield of some field crops. Ph. D. Thesis, Fac. Agric., Ain Shams Univ.

Ashour, N. I.; A. O. M. Saad and A. T. Thalooth (1983):

A preliminary study on the effect of fertilization with urea combined with Fe, Zn or Mn on maize production under calcareous soil conditions.

1st Conf. of Agron. Vol. 1 (A): 257-272.

Ali, N. A.K. (1978):

Effect of rate and time of nitrogen fertilization on yield and other agronomic characters in maize. M. Sc. Thesis, Fac. of Agric., Cairo Univ. Egypt.

Aly, A. M. (1983):

Studies on the occurrence of suckers in maize.

M. Sc. Thesis, Fac. of Agric., Moshtohor, Zagazig Univ., Egypt.
