

CONTENTS

	Page
1. INTRODUCTION	1
2. REVIEW OF LITERATURE	3
2.1. Plant growth characteristics	3
2.2. Chemical composition of plant leaves and stem.	7
2.3. Flowering characteristics	9
2.4. Dry seed yield and its components	11
2.5. Chemical constituents of dry seeds	14
3. MATERIALS AND METHODS	17
3.1. Plant growth characteristics	19
3.2. Flowering characteristics	20
3.3. Chemical constituents of leaves and stem	20
3.4. Seed yield and its components	21
3.5. Chemical constituents of dry seeds ...	22
3.6. Statistical analysis	23
4. RESULTS AND DISCUSSION	24
4.1. Vegetative growth characteristics	24
4.2. Chemical composition of cowpea plant foliage.	32
4.3. Flowering characteristics	36
4.4. Dry seed yield and its components	40
4.5. Dry seed yield per feddan	46
4.6. Chemical constituents of seeds	51
4.7. Tables	54
