

THE ROLE OF IMMUNE MONITORING PRE AND POST TRANSPLANTATION IN IMPROVING THE SUCCESS RATE

LIST OF THE CONTENTS

- (1) ACKNOWLEDGMENT.
- (2) LIST OF ABBREVIATIONS.
- (3) LIST OF THE TABLES AND FIGURES.
- (4) INTRODUCTION & AIM OF THE WORK.
- (5) REVIEW OF LITERATURE :
 - (A) Transplantation Immunology:
 - (I) Introduction Of Transplantation Immunology.....(1....5)
 - (II) Major and minor Histocompatibility Antigens..... (6....15)
 - (III) Thymic Selection Of The T Cells Repertoire.....(15....16)
 - (IV) Molecular Target Of Alloreactive T Cells.....(17....20)
 - (V) The T-cell Antigen Receptor Complex(20....22)
 - (B) Flow Cytometry Principles.....(23....43)
 - (C) Vascular Endothelial Cell.....(44....48)
- (6) MATERIAL & METHODS.....(49....84)
- (7) RESULTS.....(85....93)
- (8) DISCUSSION.....(94....99)
- (9) SUMMARY & CONCLUSION.....(100....101)
- (10) RECOMMENDATIONS.....(102....102)
- (11) REFERENCES.....(103....119)
- (12) ARABIC SUMMARY.....
